

A woman's face is shown in a close-up, looking upwards with a sense of wonder or awe. Her eyes are light-colored and focused on something out of frame. The background is a vibrant teal color, filled with numerous small, bright white stars, creating a cosmic or futuristic atmosphere. Below her face, a large, dark, angular structure resembling a futuristic building or a piece of advanced technology is visible. This structure has several glowing white lines or lights running along its edges, giving it a sense of depth and complexity. The overall composition is centered and balanced, with the woman's face occupying the upper half and the structure occupying the lower half.
